INTRODUCTION

A Dream Remembered represents a cooperative effort by the Anchorage School District and the Anchorage Municipal LIbrary to provide the people of Anchorage with an index to the print and non-print resources available through the Anchorage School District and the Anchorage Municipal Library on Dr. Martin Luther King, Jr.

As we prepare to celebrate for the first time the national holiday set aside on January 20th to honor Dr. King for his contributions to mankind, it is hoped that this effort will contribute to a greater understanding and appreciation of Martin Luther King, Jr. and his dream.

The bibliography is divided into two sections with the first section identifying the resources available in the Anchorage School District and the second section identifying resources available in the Anchorage Municipal Library.

For each resource listed as belonging to the Anchorage School District the call number and location information is provided. The location is identified by a two letter code with a separate code assigned for each of eighty-eight library centers in the Anchorage School District. A resource may be available in more than one location.

For each resource listed as belonging to the Anchorage Municipal library the call number is provided.
